Presente ormai da diversi anni nel mercato italiano ed internazionale, la Fonderia Artistica Lancini produce accessori per mobili in stile: maniglie, pomoli, chiavi, bocchette e fregi.

L'intero ciclo produttivo si svolge all'interno dell'azienda: dalla creazione del modello alla costruzione dello stampo, dalla fusione delle materie prime alla finitura realizzata in una vasta gamma di coloriture.

Il risultato sono dei prodotti artigianali che incarnano l'essenza del made in Italy portando ai livelli più alti la nostra storia fatta di artigianato artistico, di buon gusto e di stile.

The Fonderia Artistica Lancini has been on the Italian and international market for several years now. It produces fittings for period furniture as handles, knobs, keys, escutcheon plates and decorations.

The whole production cycle takes place in the factory: from the creation of the model to the construction of the die, from the casting of raw materials to the finish, realized in many different colourings.

The handicrafts so produced represent the essence of the "made in Italy" raising up to the highest level the story of our artistic handicraft, good taste and style.
