Nickel antico - FIN. 08

Antique Nickel - FIN. 08

La serie FABBRO, realizzata in zama su design esclusivo della Fonderia Artistica Lancini, propone una particolare caratteristica lavorazione dei maestri del ferro battuto: piccole irregolari incisioni rendono le maniglie e i pomoli tipicamente etnici, dall'effetto maculato, pur mantenendo l'essenzialità della forma.

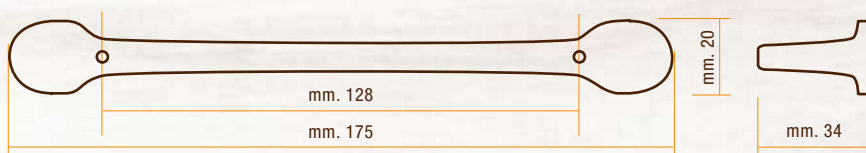

The FABBRO series, made from zamak on an exclusive design by Fonderia Artistica Lancini, displays some particularly characteristic work created by the masters of wrought iron: small, irregular incisions give the handles and knobs a typically exotic look, with a speckled effect, whilst retaining the essence of the shape.
